MEMORANDUM FOR CHAIRMAN, USIB

SUBJECT: Secretariat Summary of USIB Agenda for 4 January 1968

Item 1 Watch Report

Draft by Watch Committee to be circulated for Board approval;
Sponsor -

Item 2 Proposed Program of National Intelligence Estimates for Period
1 January 1968 to 30 June 1968

BNE draft coordinated with USIB Representatives; Sponsor - Mr. Smith

BNE and the USIB Representatives are in general agreement on this regularly scheduled review of the projected estimates program for the next six months.

In his briefing memorandum Mr. Abbot Smith also points out that the Greek estimate is not being scheduled until circumstances warrant revision; that the three major Soviet military estimates are scheduled for August, September, and October, somewhat earlier than usual; and that the estimate on "The Growing Technological Gap: Implications for Latin America", (Item 9, 2nd Quarter) is frankly experimental and part of an endeavor to examine BNE's traditional concepts of what should be on the Estimates Program.
